Boutique villa's

Wedding celebrations at The June

At The June Boutiques, we believe your wedding should feel as special and personal as the love you’re celebrating.

With Mediterranean charm, inviting outdoor spaces and plenty of privacy, each villa has its own character and atmosphere. From ceremonies beneath the pergola at The Jazz to candlelit evenings in the garden of The Joya, every setting offers a beautiful backdrop for memories to last a lifetime.

And the celebration doesn't have to end when the day is over. Wake up the next morning, share a extensive breakfast with a good cup of coffee, exchange stories and relive the best moments with the people who made it all so special.

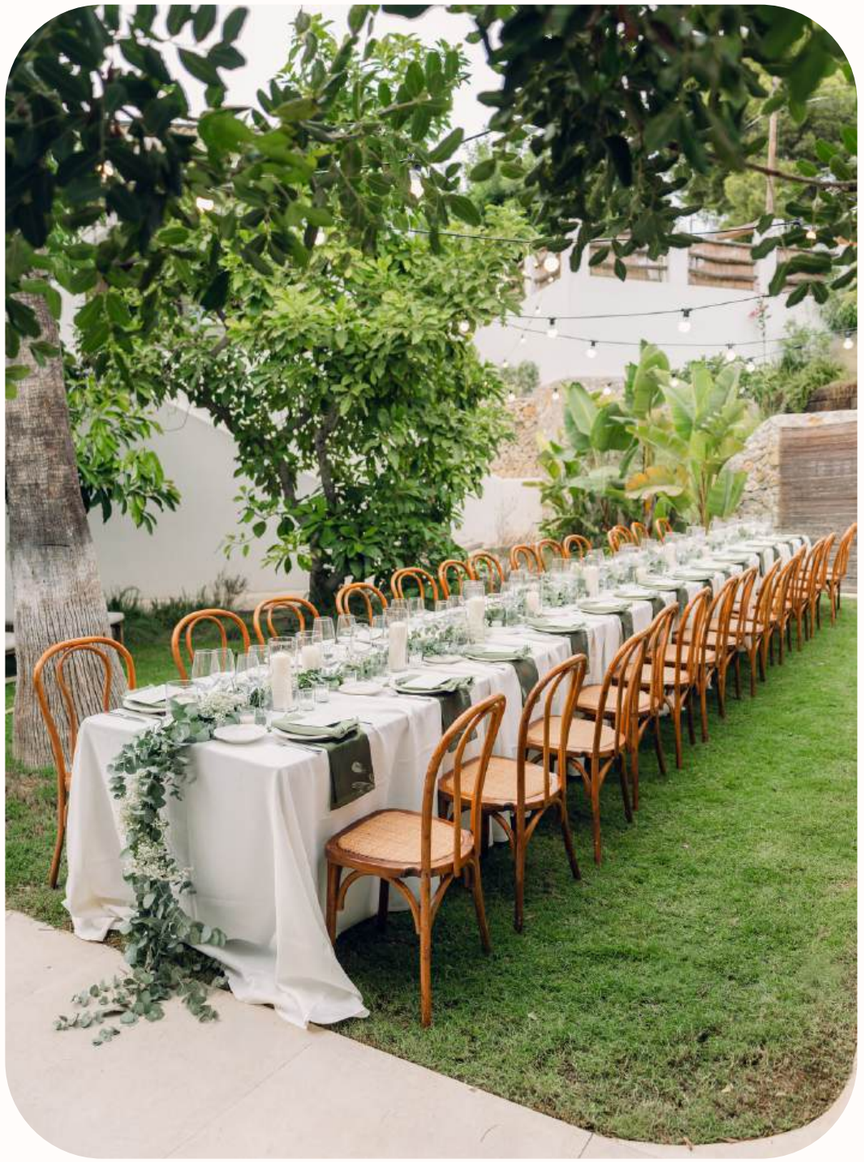

Celebrate and stay

Weddings at The June Boutiques are designed for intimate gatherings, with The Joya and The Jazz accommodating wedding celebrations of up to 40 guests.

Depending on your plans and accommodation needs, several villas can be combined to create a shared wedding experience.

- **The Joya & The Jazz:** Located approximately 7-9 minutes apart on foot, these villa's offer the possibility of combining accommodation and wedding celebrations.

- **The June, The Joya & The Jazz:** Upon request, it may be possible to accommodate up to 32 guests across these three villas.

- **The Joel:** Located in El Portet, Moraira, this villa can be considered as an additional accommodation option, approximately 20 minutes by car from the other villas.

Combining villas and arranging accommodation for larger groups is subject to availability and individual approval.

Please contact us to discuss the best combination for your group.

Lets do it your way

Every couple has their own ideas about how they want their special day to feel, and luckely there are more than a thousand ways to make it your own.

Below are a few of our favourite ways to celebrate, but there’s no set way to do it. Have something different in mind? We’d love to hear it. Share your ideas with us and let’s explore the possibilities together!

The Jazz
The Jazz offers a lovely setting for an intimate ceremony. Share your vows beneath the gazebo, surrounded by your favorite people and the Mediterranean surroundings. Afterwards, the same area can be transformed into a dinner setting, giving a relaxed and warm atmosphere to your wedding day.

The Joya
The Joya offers plenty of space to make the day your own. The Johannes tree near the pool is the ultimate spot for the ceremony and you can continue your day by a relaxed dinner in the garden or on the naya. When dinner is over, move the tables and switch to champagne, music and dancing.

A celebration across two villas
Would you rather have your ceremony at one villa and dinner at another? The Jazz and The Joya can make it happen. These villa’s are just a short walk apart, making it easy to combine the two and enjoy the best of both.

Each villa used for the wedding is subject to its own applicable venue and cleaning fees.

From your favorite flowers on the table to a dinner prepared by a local chef, it’s often the little details that make the day feel like yours.

We have a network with lots of lovely local people who can help bring your ideas to life. A few practical details

The Practical Details
To preserve the privacy, atmosphere and character of our boutique villas, weddings at The June Boutiques are subject to a few important conditions.

Minimum stay
A wedding at The June Boutiques is possible only when guests book a minimum stay of three nights in one or more of our villas.

Wedding celebration at a villa
Hosting a wedding celebration at one of our villas is possible for a venue fee of €2000, plus the applicable cleaning fee. If you choose to hold your ceremony at one villa and your dinner at another, a separate cleaning fee applies to each villa used.

Ceremony only
If you wish to hold your ceremony at one of our villas and host the reception or party elsewhere, the venue fee is €1000, plus the applicable cleaning fee.

Music & sound restrictions
One of the things that makes The June Boutiques so special is its intimate setting within a residential community. To respect our neighbours and preserve the peaceful atmosphere of the area, music must end by 10:00 pm, with a maximum permitted sound level of 95 dB.

These restrictions are an essential part of hosting a wedding at our unique location and must be respected throughout the celebration.
All wedding arrangements must be discussed and approved in advance. Venue fees, cleaning fees and any additional arrangements will be confirmed individually before booking.

Beyond The June

The Costa Blanca has plenty of beautiful places to explore, and some lovely spots for wedding photographs.

La Fustera beach and the coastal path nearby are favourites for their clear water, rocky coastline and Mediterranean views.

Would you rather celebrate your actual wedding ceremony somewhere else and stay with us for the rest of the celebrations? You could look into Marqués de Montelimar in Altea or Oceana Wedding Spain, around a 25-minute walk away. Ceremonies and events at external locations are arranged separately, subject to their own availability and conditions.
